# Key demographic characteristic, homelessness code N

## Exported from METEOR (AIHW's Metadata Online Registry)

# Key demographic characteristic, homelessness code N

## Identifying and definitional attributes

| | |
|---|---|
| **Metadata item type:** | Value Domain |
| **METEOR identifier:** | 418495 |
| **Registration status:** | Housing assistance, Recorded 22/09/2010 |
| **Definition:** | A code set describing certain key demographic characteristics. |

## Representational attributes

| | |
|---|---|
| **Representation class:** | Code |
| **Data type:** | String |
| **Format:** | N |
| **Maximum character length:** | 2 |

| | Value | Meaning |
|---|---|---|
| **Permissible values:** | 1 | Children |
| | 2 | Young people |
| | 3 | Single men |
| | 4 | Single women |
| | 5 | Familes with children |
| | 6 | Families without children |
| | 7 | Older people |
| | 8 | Other |
| **Supplementary values:** | 99 | Not stated/inadequately described |

## Collection and usage attributes

**Guide for use:**

CODE 1 Children

This code is used to indicate a population of children under 12 years old.

CODE 2 Young people

This code is used to indicate a population aged between 12 and 25 years, who do not have dependent children aged 25 years or less .

CODE 3 Single Men

This code is used to indicate a population aged between 26 and 49 years, and who do not have dependent children.

CODE 4 Single Women

This code is used to indicate a population aged between 26 and 49 years, and who do not have dependent children.

CODE 5 Families with children

This code is used to indicate a population who regard themselves as a family and have dependent children, aged 25 years of less. A family is defined as a group of two or more persons who usually live in the same household and who are related to each other by blood, marriage or adoption.

CODE 6 Families without children

This code is used to indicate a population who regard themselves as a family and do not have dependent children, aged 25 years of less. A family is defined as a group of two or more persons who usually live in the same household and who are related to each other by blood, marriage or adoption.

CODE 7 Older people

This code is used to indicate a population aged 50 years or more without dependent children aged 25 years or less .

CODE 8 Other

This code is used to indicate that none of the other categories of the value domain are specified for attention.
