	2008–09—State and territory, by care type (and total), by:
	- hospital sector
	- Indigenous status
	- remoteness
	- SEIFA IRSD quintiles
	Disaggregations within individual jurisdictions are subject to data quality considerations. Some disaggregations may result in numbers too small for publication. National disaggregation by Indigenous status will be based on data only from jurisdictions for which the quality of Indigenous identification is considered acceptable.
