	9	Not stated/inadequately described

Collection and usage attributes

Guide for use:	The claimant is the person who is pursuing a medical indemnity claim and may be the patient or some other party claiming for harm or loss allegedly resulting from the health-care incident that gave rise to the medical indemnity claim. CODE 7 Not applicable—no payment to claimant 'Not applicable—no payment to claimant' should be used where no payment was made to the claimant; for example, if legal or investigative costs have been paid, but there has been no payment of damages. CODE 9 Not stated/inadequately described 'Not stated/inadequately described' should be used when the information is not currently available.
Comments:	Related codes are collected by the Australian Prudential Regulation Authority (2006) as part of their National Claims and Policies Database.
