## Comments:

Most recent data available for 2011 CRC report is 2009.

For the baseline report, participation rates were not available by geo-location. For the 2011 report, data are available which allows reporting of participation for Indigenous students by geo-location, subject to agreement by states and territories and the Australian Curriculum, Assessment and Reporting Authority (ACARA).

Participation rates disaggregated by state/territory were reported for Indigenous students and all students in the 2010 baseline CRC report. Rates for non-Indigenous students are reported in the 2011 report.

Absent and withdrawn students will be reported separately in future reporting.

Baseline year for this indicator is 2008; target year is 2018.
