Comments:

Most recent data available for 2011 CRC report is:
-Main data collection: 2006 Census.
-Supplementary data collection: 2008 NATSISS (Indigenous) and 2008 SEW (non-Indigenous).

Current available data does not provide information on the level of qualification for those working towards qualification but only for those who have completed their education/training. Therefore, the data on education/training includes persons aged 18-24 engaged in education/training at any qualification level.

The SEW does not include people living in very remote areas which may affect the comparability of results.

Baseline year for this indicator is 2008; target year is 2018.

Representational attributes

Representation class: Percentage

Data type: Real

Unit of measure: Person

Format: NN[N].N

Indicator conceptual framework

Framework and dimensions: Socioeconomic Factors
