Collection and usage attributes

Guide for use: PR   Primary property address

The property address normally used by the client. (These addresses desirably should have been assigned by a Council).

NOTE: Where this is the principal place of residence of the client the residential code should be used.

SEC   Secondary property address

The address of an additional property attached to the client.

RES   Residential address

The address of the principal place of residence for the client.

TEM   Temporary accommodation

The address where the client is resident for a temporary period.

BUS   Business address

The address of the principal place of business for the client.

OVS   Address when overseas

The address used by the client when overseas.

DEL   Delivery address

The address used for goods delivery purposes.

POS   Postal/correspondence address

The address used by the client for receipt of correspondence.

OTH   Other address

Any other purpose not listed above.

UNK   Not stated/unknown

To be used in instances where the address purpose is not stated or unknown. A null entry should be recorded.
