---	--

7	Dead on arrival, emergency department clinician certified the death of the patient
---	--

Collection and usage attributes

Guide for use: CODE 2 Non-admitted patient emergency department service episode completed - departed without being admitted or referred to another hospital

This code includes patients who departed under their own care, under police custody, under the care of a residential aged care facility or other carer.

This code excludes those who died in the emergency department as a non-admitted patient. Such instances should be coded to Code 6.
