Overhead staff

Identifying and definitional attributes

Metadata item type: Glossary Item

METEOR identifier: 481223

Registration status: [Health](#), Standard 13/11/2014

Definition: Staff that work at the organisational level in roles only administratively or managerially related to service provision.

Overhead staff do not engage in direct service provision to clients, patients or consumers, although this does not imply that these roles do not have an impact on service delivery.
