Accountability attributes

Reporting requirements: Annually to COAG.

Organisation responsible for providing data: Australian Institute of Health and Welfare.

Other issues caveats: Indicator (f) is a new indicator based on performance benchmark (d) from the previous NDA (now reporting by Indigenous status). The changes have resulted in a break of series with data included in previous reports (data have been backcast for 2010-11, 2009-10 and 2008-09 to enable time series reporting).
