Value	Meaning						
1	Yes						
2	No						

Data element attributes

Collection and usage attributes

Guide for use:

Service contacts are not restricted to in-person communication but can include telephone, video link or other forms of direct communication.

CODE 1 Yes

This code is to be used for service contacts between a specialised mental health service provider and the patient/client in whose clinical record the service contact would normally warrant a dated entry, where the patient/client is participating.

CODE 2 No

This code is to be used for service contacts between a specialised mental health service provider and a third party(ies) where the patient/client, in whose clinical record the service contact would normally warrant a dated entry, is not participating.
