### Collection and usage attributes

**Guide for use:** If a service type outlet received funding in December but intends to operate for 52 weeks per year, 'No' should be reported for this data element and '52' should be reported for Service operation weeks. A service type outlet may be funded for the entire financial year but only operates for example, four school holiday periods of 2 weeks each. In this situation, the outlet should report that it is funded for the full financial year.
