	2	Moderate limitation or restriction
	3	Mild limitation or restriction
	4	No limitation or restriction
Supplementary values:	9	Not stated/inadequately described

Collection and usage attributes

Comments:	The Activities and Participation list in the International Classification of Functioning, Disability and Health—the list of life areas—can be viewed as either individual functioning (activities) or societal functioning (participation) (WHO 2001). Activity limitations are difficulties an individual may have in executing activities. Participation restrictions are problems an individual may experience in involvement in life situations.
