## Data element attributes

## Collection and usage attributes

**Guide for use:** This item is only applicable to paid workers in early childhood education and care services.

For Codes 1 to 4 this **includes** [contact workers](#) who are usually present to deliver a face to face preschool program, but may have been absent during the reference period due to illness or extended holiday leave and are expected to return.

For Codes 1 to 4 this **excludes** relief teachers who are not present at the early childhood education and care service (i.e. not delivering a face to face preschool program) during the reference period.

**Collection methods:** Should be reported for the main role performed by a person during the reference period, regardless of whether this is different to their usual role.

'Main' is defined as the role that the person spends the majority of time performing during the reference period.
