Data element attributes

Collection and usage attributes

Guide for use:	CODE 1 Yes The address is subject to suppression. CODE 2 No The address is not subject to suppression. A physical address or an electronic address may be suppressed for a range of administrative, personal and legal purposes. This flag facilitates the suppression of the contact details dataset. A dataset flagged as subject to suppression may not be provided if it is suppressed, or provided subject to data exchange agreements not to publish or on-forward the dataset.
