	2	Personal use
	3	Both business and personal use
	4	Out of business hours
	5	Will take message

Source and reference attributes

Submitting organisation:	Australian Institute of Health and Welfare
Reference documents:	Standards Australia 2014. AS 4846:2014 Person and provider identification in healthcare. Sydney: Standards Australia.

Data element attributes

Collection and usage attributes

Guide for use:

CODE 4 Out of business hours

This code should be used when the individual requests that this is the communication method to be used out of hours.

CODE 5 Will take message

This code should be used to indicate when the method of communication is not directly to the individual or organisation, but where another person or organisation has agreed to act as a communication conduit.

Multiple communication details (for example, multiple phone numbers, fax numbers and email) may be recorded as required.

Each instance should have an appropriate electronic communication medium assigned.
