Data element attributes

Collection and usage attributes

| | | |
|----------------------------|--|--|
| Guide for use: | CODE 1 Yes | |
| | Use if the child was required by jurisdictional policy/legislation to have an initial health check. | |
| | CODE 2 No | |
| | Use if the child was not required by jurisdictional policy/legislation to have an initial health check. | |
| | CODE 7 Not applicable | |
| | Use if the child was no longer in scope on the night of 30 June in the reference period. | |
| | CODE 9 Not stated/inadequately described | |
| | Use if the child was in scope on the night of 30 June, but it was unknown if an initial health check was required (e.g. due to data quality). | |
| Collection methods: | If the child was admitted to the care of the Minister/Chief Executive during the reference period, code 1, 2 or 9 should be recorded for this item. Code 9 should be recorded only if it was unknown whether a health check was required during the reference period (e.g. due to data quality). | |
| | If the child had not been admitted to the care of the Minister/Chief Executive during the reference period, code 7 'not applicable' should be recorded for this item. | |
| | Record only for children admitted to the care of the Minister/Chief Executive during the reporting period. | |

Comments: Children admitted to care includes all children admitted to the care of the Minister/Chief Executive for the first time during the reporting period, as well as children returning to the care of the Minister/Chief Executive after exiting more than 60 days previously. Children with an ongoing care arrangement from a previous reporting period are not counted as being admitted to care in the current reporting period.

Children admitted to the care of the Minister/Chief Executive more than once during the reporting period should be recorded only once in the National Out-of Home Care file, irrespective of the number of times they were admitted.

Health check items should be reported for the first admission during the current reporting period.
