Patient—colorectal polyps greater than or equal to 10 mm indicator, Yes/no code N

Identifying and definitional attributes

Metadata item type: Data Element

Short name: Colorectal polyps greater than or equal to 10 mm indicator

METEOR identifier: 530295

Registration status: Health, Standard 29/08/2014

Definition: An indicator of whether one or more <u>colorectal polyps</u> found in the patient are

greater than or equal to 10 mm in size, as represented by a code.

Data Element Concept: Patient—colorectal polyps greater than or equal to 10 mm indicator

Value Domain: Yes/no code N

Value domain attributes

Representational attributes

Representation class: Code

Data type: Boolean

Format: N
Maximum character length: 1

Value Meaning

Permissible values: 1 Yes

2 No

Source and reference attributes

Submitting organisation: Australian Institute of Health and Welfare

Data element attributes

Collection and usage attributes

Guide for use: CODE 1 Yes

To be recorded when one or more colorectal polyps are found to be greater than or

equal to 10 mm in size.

The cumulative risk of polyps (mainly adenomas) greater than 10 mm developing into bowel cancer within 10 years is considered to be 8% (Stryker et al. 1987).

CODE 2 No

To be recorded when all colorectal polyps found were less than 10 mm in size.

Smaller polyps are less likely to develop into bowel cancer.

Multiple colorectal polyps can be listed.

Specifications:

Implementation in Data Set Bowel cancer diagnostic assessment cluster

Health, Superseded 06/09/2018

Conditional obligation: Reporting of this data element is conditional upon answering 'Yes' to the Patient—colorectal polyps found in colon indicator, yes/no

code N data element.

DSS specific information: There could be multiple polyps listed if multiple polyps are found during an assessment.

Bowel cancer diagnostic assessment cluster

Health, Superseded 16/01/2020

Conditional obligation:

Reporting of this data element is conditional upon answering 'Yes' to the Patient colorectal polyps found in colon indicator, yes/no code N data element.

DSS specific information:

There could be multiple polyps listed if multiple polyps are found during an assessment.

Bowel cancer diagnostic assessment cluster

Health, Superseded 17/12/2021

Conditional obligation:

Reporting of this data element is conditional upon answering 'Yes' to the Patient colorectal polyps found in colon indicator, yes/no code N data element.

DSS specific information:

There could be multiple polyps listed if multiple polyps are found during an assessment.
