Collection and usage attributes

Guide for use:	The authorisation start date is the date from which the carer household was authorised (including provisional authorisation) to have a child placed in their care.
Collection methods:	When an estimate is required, all known fields should be entered (e.g. if year and month are known use 01MMYYYY; if the exact date is unknown but the reporting period to which it relates can be determined, use 0107YYYY). If the date is not known and can't be estimated, record 01011900.
