Collection and usage attributes

Guide for use:	<p>Dental, nursing, allied health and other diagnostic profession graduates who are in an existing new graduate training program and in their first or second year post graduation are considered new graduates.</p> <p>Medical graduates that have graduated from a university medical school and are undertaking postgraduate prevocational medical training are considered new graduates. This first year is sometimes known as the intern year or postgraduate year one. Many junior doctors work for one or more years after their intern year to gain more experience. This is sometimes known as the postgraduate year two or postgraduate year three.</p> <p>New health professional graduates may be employed by an establishment while undertaking clinical/professional education and training requirements as part of a new graduate program.</p>
