# Emergency department stay—urgency related group major diagnostic block, code N[AA]

# Identifying and definitional attributes

Metadata item type: Data Element

**Short name:** Urgency related group major diagnostic block

**Synonymous names:** URG major diagnostic block

**METEOR identifier:** 547612

**Registration status:** <u>Health,</u> Superseded 25/01/2018

**Definition:** The <u>urgency related group</u> (URG) major diagnostic block category into which the

patient's emergency department diagnosis is grouped, as represented by a

code.

Data Element Concept: Emergency department stay—urgency related group major diagnostic block

Value Domain: Urgency related group major diagnostic block code N[AA]

## Value domain attributes

# Representational attributes
