Data element attributes

Collection and usage attributes

Guide for use:	Exclude: • any additional charges, such as levies, meals or separate care services • any discounts or fee relief available • any voluntary contribution. If fees are charged on a per day, per term or per year basis, the pro-rata equivalent weekly fee should be derived by taking into account the days per week, weeks per term and/or weeks per year the early childhood education program operates.
Collection methods:	The standard tuition fee schedule amount for an early childhood education program should be collected for each early childhood education program available at the service. Jurisdictions which adopt a two week reference period are required to derive their data to a representative reference week
