Maximum character length:	1						
Permissible values:	<table><thead><tr><th>Value</th><th>Meaning</th></tr></thead><tbody><tr><td>1</td><td>Another location in the same hospital</td></tr><tr><td>8</td><td>Other</td></tr></tbody></table>	Value	Meaning	1	Another location in the same hospital	8	Other
Value	Meaning						
1	Another location in the same hospital						
8	Other						

Collection and usage attributes

Guide for use:

CODE 1 Another location in the same hospital

To be recorded for a patient who is transferred from an emergency department short stay unit to another admitted patient ward in the same hospital, or to an operating theatre. This excludes transfers to discharge/transit lounges or transfers to [hospital-in-the-home](#).

CODE 8 Other

To be recorded for a patient who has not been transferred from an emergency department short stay unit to another admitted patient ward in the same hospital. This includes transfers to discharge/transit lounges or transfers to hospital-in-the-home.

Where a patient has been assigned Code 8, their [Mode of separation](#) should be used to determine their departure destination from an emergency department short stay unit.
