Maximum character length:	8

Source and reference attributes

Submitting organisation:	Australian Institute of Health and Welfare
--------------------------	--

Data element attributes

Collection and usage attributes

Guide for use:	In the case of a self-referral this would be the date of the first contact with the service. The referral received date can be the same as the date of the appointment; for example, at a drop-in clinic. This data item is a mandatory item for national reporting, using the data element: Non-admitted patient service request—service request received date, DDMMYYYY
----------------	--

Relational attributes
