Data element attributes

Collection and usage attributes

Guide for use: A count of the total number of applicants on the community housing waiting list at the end of the reference period who were identified as a new household to the community housing provider.

Exclude: Potential applicants still awaiting eligibility assessment at the end of the reference period.

Note: The waiting list information used in this data element requires that all applicants, at the end of the reference period:

• are still eligible for community housing; and

• still wish to pursue their application.
