## Collection and usage attributes

**Guide for use:** Each person is only counted once, no matter how many times that they were admitted into residential care during the year.

If clients were admitted more than once, add together the durations for each admission.

Includes:

- people who were officially clients of the service, i.e. they received treatment and/or rehabilitation.

Excludes:

- sobering-up/residential respite/short term programs
- clients who did not receive formal treatment and/or rehabilitation such as housing clients.
