Collection and usage attributes

Guide for use:

Each person is only counted once, no matter how many times that they were admitted into residential care during the year.

Includes:

- clients who received non-residential care in the form of counselling, assessment, treatment, education, support and/or home visits
- clients who received follow-up after discharge from residential services
- clients who received family/relationship counselling (for people who were officially clients of the service, i.e. they have their own file)
- clients who received Mobile Assistance Patrol/night patrol clients who were taken to a sober-up shelter run by another service.

Excludes:

- residential clients unless they also received non-residential care such as telephone follow-up after discharge
- clients who only attended groups and did not receive individual care
- Mobile Assistance Patrol/night patrol clients who were taken to a your sober-up shelter.
