Tier III-Health System Performance

Identifying and definitional attributes

Item type:	Framework Dimension
METEOR identifier:	584860
Description:	How well is the health system performing in delivering quality health actions to improve the health of all Australians? Is it the same for everyone?

Dimensions of this framework

- [Accessible](#)

Identifying and definitional attributes

Item type:	Framework Dimension
METEOR identifier:	584868
Description:	Ability of people to obtain health care at the right place and right time irrespective of income, geography and cultural background

Indicators in this framework
