Data element attributes

Collection and usage attributes

Guide for use: The main components of gross income are:

- · wages and salary
- · income derived from self-employment
- · government pensions, benefits and allowances
- other income comprising investments (including interest, dividends, royalties
 and rent) and other regular income (including superannuation, private
 scholarships received in cash, workers' compensation, accident
 compensation, maintenance or alimony, and any other allowances regularly

compensation, maintenance or alimony, and any other allowances regularly received).

Gross income is regarded as all receipts which are received regularly and are of a recurring nature. Certain receipts such as lump sum receipts, windfall gains and withdrawals from savings are not considered to conform to these criteria and are not included as income.

Where <u>household</u> or income unit gross income is required, the gross income of each person is summed.
