METEOR identifier: 596082

Registration status:

- [Housing assistance](#), Superseded 30/08/2017

DSS type: Data Set Specification (DSS)

Scope: The State Owned and Managed Indigenous Housing (SOMIH) data set specification defines information about SOMIH tenancies covered by the National Affordable Housing Agreement (NAHA). Included are [households](#) residing in SOMIH dwellings where the dwelling is either:

- owned by the state/territory housing authority; or
- [head-leased from private market](#) or other housing program areas and managed by the state/territory housing authority for provision of public housing.

The SOMIH data set specification excludes dwellings:

- owned but not administered by the state/territory housing authority (for example, dwellings leased to other program areas, such as community housing or crisis and emergency accommodation programs)
- no longer under the administration of the state/territory housing authority at 30 June of the reference period (including dwellings demolished, sold or otherwise disposed of); and
- not yet available to the state/territory housing authority at 30 June of the reference period (including those still under construction or being purchased).
