

# Recurrent non-salary expenditure data element cluster

## Identifying and definitional attributes

**Metadata item type:** Data Set Specification

**METEOR identifier:** 616030

**Registration status:**

- [Health](#), Standard 04/08/2016

**DSS type:** Data Element Cluster

**Scope:** These data elements are used in conjunction with each other to describe recurrent non-salary expenditure by establishments. These data elements exclude expenditure relating to salaries and wages.

## Collection and usage attributes

**Guide for use:**

The Recurrent non-salary expenditure data element cluster comprises three data elements that provide information on the categories of recurrent non-salary expenditure, the total amount of recurrent non-salary expenditure in Australian dollars and whether these data are estimated.

The Recurrent non-salary expenditure data element cluster describes the following information for an establishment:

| <b>Recurrent non-salary expenditure category</b> | <b>Total Australian Dollars</b> | <b>Estimated data indicator</b> |
|--|---------------------------------|---------------------------------|
| Administrative expenses - insurance              | N[N(13)]                        | 1. Yes<br>2. No                 |
| Administrative expenses - other                  | N[N(13)]                        | 1. Yes<br>2. No                 |
| Depreciation - building                          | N[N(13)]                        | 1. Yes<br>2. No                 |
| Depreciation - other                             | N[N(13)]                        | 1. Yes<br>2. No                 |
| Domestic services                                | N[N(13)]                        | 1. Yes<br>2. No                 |
| Interest payments                                | N[N(13)]                        | 1. Yes<br>2. No                 |
| Lease costs                                      | N[N(13)]                        | 1. Yes<br>2. No                 |
| Patient transport costs                          | N[N(13)]                        | 1. Yes<br>2. No                 |
| Repairs and maintenance                          | N[N(13)]                        | 1. Yes<br>2. No                 |
| Superannuation employer contributions            | N[N(13)]                        | 1. Yes<br>2. No                 |
| Other on-costs                                   | N[N(13)]                        | 1. Yes<br>2. No                 |
| Supplies - drug                                  | N[N(13)]                        | 1. Yes<br>2. No                 |
| Supplies - food                                  | N[N(13)]                        | 1. Yes<br>2. No                 |
| Supplies - medical and surgical                  | N[N(13)]                        | 1. Yes<br>2. No                 |
| Visiting medical officer payments                | N[N(13)]                        | 1. Yes<br>2. No                 |
| Not elsewhere recorded                           | N[N(13)]                        | 1. Yes<br>2. No                 |

The reported expenditure must be prepared using accrual basis of accounting as per the Australian Accounting Standards Board, Standard 101.
