Data element attributes

Collection and usage attributes

Guide for use:	If a service type outlet received funding in December but intends to operate for 52 weeks per year, 'No' should be reported for this data element and '52' should be reported for 'Service provider organisation—number of service operation weeks (calendar year), total NN'. A service type outlet may be funded for the entire financial year but only operates for part of the year. In this situation, the service type outlet should report that it is funded for the full financial year.
