Person—consumption of 6 or more standard drinks on one occasion, AUDIT consuming 6 or more standard drinks code N

Identifying and definitional attributes

Metadata item type:	Data Element
Short name:	Consumption of 6 or more standard drinks on one occasion
METEOR identifier:	625881
Registration status:	Health , Standard 28/04/2016
Definition:	A person's self-reported frequency of consuming six or more standard drinks on one occasion, as represented by a code.

Data element concept attributes

Identifying and definitional attributes

Data element concept:	Person—consumption of 6 or more standard drinks on one occasion
METEOR identifier:	403105
Registration status:	Health , Standard 25/08/2011
Definition:	A person's self-reported frequency of consuming six or more standard drinks on one occasion.
Object class:	Person
Property:	Consumption of 6 or more standard drinks on one occasion

Source and reference attributes

Submitting organisation:	Australian Institute of Health and Welfare
--------------------------	--

Value domain attributes

Identifying and definitional attributes

Value domain:	AUDIT consuming 6 or more standard drinks code N
METEOR identifier:	632123
Registration status:	Health , Standard 28/04/2016
Definition:	A code set representing the frequency of consuming six or more standard drinks on one occasion, as measured by the Alcohol Use Disorders Identification Test (AUDIT).

Representational attributes

Representation class:	Code	
Data type:	Number	
Format:	N	
Maximum character length:	1	
	Value	Meaning
Permissible values:	0	Never

	1	Less than monthly
	2	Monthly
	3	Weekly
	4	Daily or almost daily
Supplementary values:	9	Unknown

Collection and usage attributes

Guide for use: For use in Prisoner health data collections. If this value domain is used with other metadata 'Unknown' would be mapped to code 8.

Source and reference attributes

Submitting organisation: Australian Institute of Health and Welfare

Reference documents: Department of Health and Ageing 2009. The Australian Standard Drink. Canberra: Department of Health and Ageing.

Babor T, Higgins-Biddle JC, Saunders JB, Monteiro MG 2001. The Alcohol Use Disorders Identification Test Guidelines for Use in Primary Care. 2nd edn. Switzerland: World Health Organization.

Data element attributes

Collection and usage attributes

Guide for use: This data element should be used in conjunction with the data elements: [Person—alcohol consumption frequency](#), [AUDIT frequency alcohol consumption code N](#) and [Person—alcohol consumption amount \(self-reported\)](#), [total standard drinks NN](#) to obtain a score on the Alcohol Use Disorders Identification Test (AUDIT) and consequently obtain a risk of alcohol-related harm.

Comments: The AUDIT is an alcohol screen that can help identify patients who are hazardous drinkers or have active alcohol use disorders (including alcohol abuse or dependence).

Implementation in Data Set Specifications:

[AUDIT score for risky alcohol consumption cluster](#)

[Health](#), Standard 28/04/2016

Conditional obligation:

Conditional on the person having had an alcoholic drink in the last 12 months.

DSS specific information:

This data element refers to prison entrants only.

The AUDIT contains the question 'How often do you have six or more standard drinks on one occasion?' The Prisoner Health Information Group amended the question wording for the National Prisoner Health Census to 'In the last 12 months how often did you have six or more standard drinks on one occasion?'

[AUDIT-C score of risky alcohol consumption cluster \(dischargee\)](#)

[Health](#), Standard 28/04/2016

Conditional obligation:

Conditional on the person having had an alcoholic drink prior to their current incarceration.

DSS specific information:

This data element refers to prison dischargees only.

The AUDIT contains the question 'How often do you have six or more standard drinks on one occasion?' The Prisoner Health Information Group amended the question wording for the National Prisoner Health Census to 'Prior to your current incarceration, how often did you have six or more standard drinks on one occasion?'
