Collection and usage attributes

Guide for use:

The scope of the NHRA should be defined using the most recent National Efficient Price Determination produced by the Independent Hospital Pricing Authority (IHPA).

CODE 1 Admitted acute care (excluding mental health care)

The expenditure incurred by an establishment for admitted patients receiving acute care, including expenditure associated with the care of unqualified newborns (which would be reported under the mother's episode of care) but excluding mental health care.

CODE 2 Admitted subacute care (excluding mental health care)

The expenditure incurred by an establishment for admitted patients receiving subacute care but excluding mental health care.

CODE 3 Other admitted care (excluding mental health care)

The expenditure incurred by an establishment for other admitted patients, including expenditure associated with maintenance care but excluding mental health care.

CODE 4 Admitted mental health care

The expenditure incurred by an establishment for admitted patients receiving mental health care defined as care in which the primary clinical purpose or treatment goal is improvement in the symptoms and/or psychosocial, environmental and physical functioning related to a patient's mental disorder. Mental health care:

-
- is evidenced by an individualised formal mental health assessment and the implementation of a documented mental health plan; and
- may include significant psychosocial components, including family and carer support.

The definition for mental health care for admitted patients is available at the Admitted Patient Care NMDS - [Hospital care type code N\[N\]](#)

CODE 5 Emergency care services

The expenditure incurred by an establishment on non-admitted patients receiving care through emergency care services. Excludes admitted patients receiving care through the emergency department. The definition of emergency care services for activity based funding purposes is available at the IHPA website - https://www.ihoa.gov.au/sites/g/files/net636/f/publications/national_pricing_model_technical_specifications_2015-16.pdf

CODE 6 Non-admitted care (in-scope for NHRA)

The expenditure incurred by an establishment on non-admitted patients receiving services deemed to be in-scope of the NHRA.

CODE 7 Direct teaching, training and research

The expenditure incurred by an establishment for direct teaching, training and research.

CODE 8 Commonwealth funded aged care

The expenditure incurred by an establishment for Australian Government funded aged care patients (including residential aged care and Multi-Purpose Services).

CODE 9 Other aged care

The expenditure incurred by establishments for other aged care patients, excluding Australian Government funded aged care patients (such as residential aged care and Multi-Purpose Services).

CODE 10 Non-admitted care (out of scope for NHRA)

The expenditure incurred by an establishment on non-admitted patients receiving services deemed not to be in-scope of the National Health Reform Agreement.

CODE 88 Other (out of scope for NHRA)

The expenditure incurred by an establishment on services not reported elsewhere for a financial year.
