| | JCA | Job Capacity Assessment |

## Collection and usage attributes

**Guide for use:**

CODE ESA Employment Services Assessment

An Employment Services Assessment helps work out the type of employment service or other assistance to help prepare an individual to find and maintain work. This assessment may be required if an individual has medical conditions or other barriers to work; a reduced work capacity, or does not have participation requirements and is volunteering for employment services assistance.

CODE JCA Job Capacity Assessment

A Job Capacity Assessment is used to help determine medical eligibility for Disability Support Pension. It determines the impact of medical conditions or disability on an individual's ability to work and any benefit of employment assistance.
