|----------------|---|
| Guide for use: | For housing data collections, the number of tenancy agreements is a practical proxy for calculating the number of households receiving housing assistance.<br><br>The persons in the group may pool their incomes and have a common budget to a greater or lesser extent: they may be related or unrelated persons, or a combination of both.<br><br>Only usual residents of the household are included as members of the household. Visitors to a household are, by definition, excluded from the household. |
