## ABS Survey of Disability, Ageing and Carers (SDAC), 2015

### Identifying and definitional attributes

Item type:Data SourceMETEOR identifier:658849

**Description:** The aims of the 2015 Survey of Disability, Ageing and Carers are to:

• measure the prevalence of disability in Australia

measure the need for support of older people and those with disability
provide a demographic and socio-economic profile of people with disability,

older people and carers compared with the general population

• estimate the number of and provide information about people who provide care to people with disability, long-term health conditions and older people.
