Collection and usage attributes

Guide for use: Inclusions:

- visiting health professionals that are not paid for by the service (e.g. specialists, other allied health professionals)
- Community Development Employment Project (CDEP) workers

Collection methods: If 'full-time equivalent' positions are difficult to work out, show details of how often each person works (e.g. a psychologist visits the service one morning session per month).

The Aboriginal and Torres Strait Islander primary health-care service provides counts of Aboriginal or Torres Strait Islander FTE positions, Non-Indigenous FTE positions and Total FTE positions by type of worker, as detailed in the Scope, Aboriginal and Torres Strait Islander primary health-care service unpaid full-time equivalent positions table. The total FTE positions may include positions for which Indigenous status was not known or not reported.
