- short term and recurrent funded positions
- contract workers paid by the service (e.g. cleaners, accountants)

Exclusions:

- Community development employment projects (CDEP) staff as they are counted as workers *not* paid by the service
- visiting health professionals where payments are not made by the service as they are counted as workers *not* paid by the service
- staff in other programs such as housing, employment, health and community care (HACC) and childcare.
