Implementation in Data Set Specifications:

[Specialist Homelessness Services NMDS 2019-Homelessness](#), Standard 10/08/2018

Conditional obligation:

In the Specialist Homelessness Services NMDS, this item is only asked of clients.

DSS specific information:

In the Specialist Homelessness Services NMDS, this data element is collected a minimum of twice (for the client):

- within the previous month
- within the previous year.

If a client has indicated that they were homeless in the last month, then by default they should be recorded as homeless in the last 12 months.

This question allows the client to check all responses that apply, and therefore the client may have up to 3 valid responses for each instance of this question.

This collection records a response of Don't Know (Code 99), which is equivalent to the code Not stated/Inadequately described (Code 9) in the Standard.
