| | 6 | Other |
| Supplementary values: | 9 | Not stated/inadequately described |

Collection and usage attributes

Guide for use:**CODE 1 Agency worker**

The person appears to the agency worker to have an undiagnosed mental health condition.

CODE 2 Health professional

The person has been diagnosed with a mental health condition by a doctor, nurse or other health professional.

CODE 3 Non-government agency

A non-government agency offering disability support programs, or a local community support program, whose target population includes those with a mental illness.

CODE 4 Family, friends, carers

Family, carers, or friends who know the applicant well, and are concerned that the person may have an undiagnosed mental illness.

CODE 5 Self-identified

The person reports that they have a mental illness but does not have contact with specialised mental health service or other relevant service providers at this point in time.

CODE 6 Other

There is information to indicate the person has a mental health condition but the source of information is not included in the list above.
