Conditional obligation:

In the Specialist Homelessness Services NMDS, this item is only asked of clients.

This data element reflects the Australia Bureau of Statistics (ABS) Sources of income standard variable. Consequently, the value domain definitions explicitly exclude anyone aged under 15.

If income information on children under 15 years is sought for the Specialist Homelessness Services (SHS) NMDS, these persons may also be asked the sources of income questions. However, if comparability with ABS collections is required, the SHS data can be filtered using the age data element to remove responses for children aged under 15.

DSS specific information:

In the Specialist Homelessness Services (SHS) NMDS, this data element is collected four times, for the following points in time:

- one week before the start of the support period (the [Service episode—episode start date, DDMMYYYY](#))
- at the date of presentation
- at the end of the reporting period (the [Service event—last service provision date, DDMMYYYY](#))
- at the end of the support period (the [Service episode—episode end date, DDMMYYYY](#))

Only one permissible value is selected in each case.

For the purposes of the SHS collection the following list is used which aggregates to the Australian Bureau of Statistics' Sources of Income Classification.
