Data element attributes

Collection and usage attributes

Guide for use: This question is asked of the presenting unit head. It captures the relationship of the

unit head to others with whom he/she is presenting.

Obtaining this information does not require a response for the presenting unit head. For each subsequent person, the respondent is required to fill in the appropriate

tick box in response to the above instruction.

Collection methods: What is person's 1 relationship to Person 2? Other relationship to Person 1

please specify.

Questions used for Person 2 are repeated for each person within the presenting

unit.
