DSS specific information:

Within the Child protection (CP) client file cluster **disability** is defined as follows:

"Disability is the umbrella term for any or all of: an impairment of body structure or function, a limitation in activities, or a restriction in participation. Disability is a multidimensional concept, and is considered as an interaction between health conditions and environment and personal factors. It refers to a limitation, restriction or impairment which has lasted, or is likely to last for at least six months and restricts every day activities."

For unborn children, 97 'Not applicable' should be recorded.

Code 9 'Not stated/inadequately described' in the data element is equivalent to code 99 in the Child protection NMDS collection manual.
