## Collection and usage attributes

**Guide for use:**

More than one reason may be selected.

**CODE 01 Cost**

Includes all cases where a health service was not sought because it was likely to be unaffordable.

**CODE 02 Cultural/language problems/discrimination/gender**

Includes all cases of perceived discrimination at a health service, on the basis of factors such as age, sex, disability, religion or culture, and cases where a health service was not sought because of a perceived lack of cultural consideration (for example, lack of appropriate interpreter services), or no service provider of similar cultural background available.

**CODE 03 Felt at the time I didn't need/want to/couldn't be bothered**

Includes cases where a health service was not sought because a person either felt that seeking a health service was unnecessary, a person did not want to seek a health service, or a person lacked motivation to seek a health service.

**CODE 04 Transport/distance**

Includes cases where a health service was not sought either due to lack of available transport to attend the service or the distance required to attend a health service was perceived as being too great.

**CODE 05 Waiting time too long or not available at time required**

Includes cases where the waiting time for a health service (either expected or actual) was too long, or the health service was not available at the required time.

**CODE 06 Not available in area**

Includes cases where a health service was not available in the person's location for example, local community area, prison and so forth.

**CODE 07 Too busy**

Includes cases where the person was too busy to seek a health service for example, work, personal or family responsibilities.

**CODE 08 Legal issues (police custody, court, watchhouse)**

Includes cases where the person did not seek a health service for legal reasons for example fear of likely arrest, actual arrest, appearance in court or being in custody.

**CODE 09 Affected by alcohol or other drugs (including from prescribed drugs)**

Includes cases where the person did not seek a health service because they were intoxicated as a result of drug use, alcohol consumption or other causes.

**CODE 10 Unable to access at time required (lock down)**

Includes cases where the person was unable to attend the health service at the time required because of restrictions.

**CODE 11 Other**

Includes all reasons not elsewhere included.
