| <b>Submitting organisation:</b> | National Perinatal Data Development Committee |
|---------------------------------|---|

# Data element attributes

## Collection and usage attributes

**Guide for use:** If a female was administered more than one vaccination for influenza during pregnancy, the code corresponding to the most recent vaccination should be recorded.

## Source and reference attributes

**Submitting organisation:** National Perinatal Data Development Committee

## Relational attributes

**Related metadata references:** See also [Female—influenza vaccination during pregnancy indicator, yes/no/not stated/inadequately described code N](#)
