Context: Mental health non-government organisation establishments service type taxonomy.

Collection and usage attributes

Guide for use:

Distinguishing features:

- The principal purpose is to increase a person's ability to access education, employment and training
- Delivered one-on-one or as part of a group
- Education and training takes place through a structured program of tuition
- The education and training program can result in the attainment of a formal qualification or award (e.g. a Certificate, Diploma or Degree), however, this need not happen in every program

Inclusions:

- Supported education
- Employment and vocationally-focused group programs
- Individual employment placement and support
- Social enterprises

Exclusions:

- Where education is provided as part of delivering another service type
