Collection and usage attributes

Guide for use: Excludes payments to non-government organisations for services that are to be

reported separately. These are payments for accommodation services, advocacy services, community awareness services, counselling services, independent living skills support services, pre-vocational training services, psychosocial support services, recreational services, respite services, self-help support group services

and other unspecified services payments.

Collection methods: Residual mental health expenditure is to be reported only at the level at which the

expenditure occurred (state/territory, region or organisational), and should not be counted at more than one level. Expenditure should be reported for these

categories, where applicable.

Note: insurance expenditure already included in an establishment's expenditure

should not be included in this data element.
