Data element attributes

Collection and usage attributes

Guide for use:	Excludes payments to non-government organisations for services that are to be reported separately. These are payments for accommodation services, advocacy services, community awareness services, counselling services, independent living skills support services, pre-vocational training services, psychosocial support services, recreational services, respite services, self-help support group services and other unspecified services payments.
Collection methods:	Residual mental health expenditure is to be reported only at the level at which the expenditure occurred (state/territory, region or organisational), and should not be counted at more than one level.
