## Collection and usage attributes

<b>Guide for use:</b>	Excludes payments to non-government organisations for services that are to be reported separately. These are payments for accommodation services, advocacy services, community awareness services, counselling services, independent living skills support services, pre-vocational training services, psychosocial support services, recreational services, respite services, self-help support group services and other unspecified services payments.
<b>Collection methods:</b>	<p>Residual mental health expenditure is to be reported only at the level at which the expenditure occurred (state/territory, region or organisational), and should not be counted at more than one level. Expenditure should be reported for these categories, where applicable:</p> <p>These services are usually provided from a central pool of resources managed at a regional level. Do not count these costs if they have been included in the expenditure reported by service delivery organisations within the region.</p>
