Australian Immunisation Register (AIR)

Identifying and definitional attributes

Item type: Data Source

METEOR identifier: 724949

Description: The Australian Immunisation Register (ACIR) is a national register administered by The Australian Government Department of Health that records details of vaccinations given to those enrolled with Medicare Australia.

The AIR includes vaccines given:

- Under the National Immunisation Program
- through school programs
- privately, such as for flu or travel.
